### **IMPORTANT Information about this year**

- The Chamber will be designating where the crafter's and home based businesses will be located they will NOT be able to pick a location on their own. Therefore, if they contact you please let them know they must fill out their form and return it to Smith River Custom Apparel or The Branding Iron Cafe to participate.
- The Stroll is from Snook's Diner to The Roadhouse / Garden Shop (This is so as to include all Brick and Mortar Stores in the Stroll that are on "our" main street)
- There will once again be the horse drawn wagon rides, kindly provided by The Teague family.
- There will be a decorating contest for any business that chooses to participate. It will be best use of Christmas Song provided by the Chamber. (we will give you your song by November 21<sup>st</sup> )
