

2019 Meagher County Christmas Stroll

"Songs of Christmas"

Friday, December 6, 2019 5pm-8pm

Crafter/Visiting Business

We are so excited to have you be part of the 2019 Meagher County Christmas Stroll. In order to keep the need for volunteer help at a minimum we will place crafter's/ home businesses within established businesses on "our" main street (From Snook's Diner to The Roadhouse / Garden Shop). We will be selecting the business for you this year!

You will be responsible for your own tables/chairs and needed monies to last the evening. Your area in a business will most likely have a plug-in for some lighting but make sure you bring extension cords and any type of needed setup supplies (hammers, scissors, bags, etc)

The cost? *There is no cost* (this is for you to promote your business)

*What is encouraged, is a door prize, that you will collect the information you want and draw on your own and get the door prize to your winner. *What you will gain is additions to your email/ mailing list!* We ask that you take an image, just a cell phone image of your door prize and the name of the winner and post it on the Meagher County Chamber Facebook page, so we can share them with the community!

We understand not everyone can be set up by 5pm due to work. This is a do what works for you and the business your visiting. You may also set up earlier as long as it is arranged with the business that is hosting you. Make sure when you have received your assignment that you contact them and let them know your time plan and any needs or concern that you have.

For fastest placement:

Fill out and scan it/camera photo it back to the email: aonenterprisesllc@yahoo.com.

Mail it to: PO Box 551 or drop them off at Smith River Custom Apparel or The Branding Iron Cafe.

We will let you know placements by December 2. *We will try not to place like items together.*

We will be putting you on the map so that people can find you!
